I certainly would like to read more of Donaldson. But more THomas  
Covenant? Hmm. I am not sure where he (Donaldson) can go from here.  
I greatly enjoyed the series even though for the first few books, TC  
was just a real pain to be around -- for the reader as much as anyone  
\*in\* the story.

And, no, I could not take 9 more books on the same story line (I don't  
think I could). I feel obligated when I start a series to finish  
it... And I don't want to read that much about TC. (I stopped reading  
about Pern because I got all dragon-ed out after 4 or so books...)

But Donaldson's writing -- of \*that\* I would like to see more.
