Some people have expressed interest in the Clarion SF writing program. Here, straight from Ayjay's F&SF column, is the poop on how to get more info:

"If you would like to know more about Clarion, the boot camp of the literary arts, write to:

Mary Sheridan

CLARION

Holmes Hall

Lyman Briggs School

Michigan State University

East Lansing, MI 48824"

Ayjay is Algis Budrys, literary critic for "The Magazine of Fantasy and Science Fiction", and a Clarion instructor. One of his columns is worth 3 months of sf-lovers-digest.
