OmahaStar has just updated his memorial page for the cast and crew who've passed 'beyond the rim'. It's sad to see how many we've lost:

Sheesh... I stay away for a few years and return to find that just about everyone is dead. Has it  
really been that long?

Mainly, I think it is because JMS bailed. Most folks are over on Facebook,  
but not all are on the Babylon 5 page. Probably most are on JMS's page.
