Good news from the good folks at Phoenix Comicon!

"With all the buzz about the can't be missed, once in a lifetime Babylon 5 20th Anniversary panel are you worried that you might miss it?

We've got you covered! Within a week after the convention we will be sharing the entire Babylon 5 panel on our YouTube channel! ~SM"

This is cool for anybody, whether you can attend or not:

A message from Phoenix Comicon:

Do you have a burning question to ask one of our Babylon 5 guests?

Due to the large scale of our Babylon 5 reunion we are going to do something a little different. We are going to collect questions ahead of time to ask during the panel, this will help us ensure every guest gets questions to answer!

So what is the process you ask? Its pretty simple, email your question to BabylonQuestions@phoenixcomicon.com. Please put 'Babylon 5 Question' in the subject line. We will collect questions from now until April 13th and then compile the questions for the panel. ~SM

And since they'll be filming and posting the panel you could even get to see your question used.
