I CAN'T STAND IT ANY MORE!!!!!!!

I thought surely someone would have corrected this by now but since no one else has -

T'Pau is NOT in STIII!!!!

The name of the Vulcan priestess is T'Lar. Her name is given at least once in the movie and several times in the book. Of course, she is still probably a powerful enough individual to intervene with Star Fleet.

> T'Pau is NOT in STIII!!!!

Perhaps she's dead?

"I'm not dead yet!"
