Speaking of game conventions, is anyone on the list going to be at the Cinciclassics Show here in Ohio?
I should be going and would mind meeting some of the members and fellow Turbo fans :)

I'll be there, everything permitting of course. Should be a good show this year. Last year was really interesting and fun. (I'm biased, though, as I'm the one responsible for the website and other organizational stuff).
:)

There's nothing remarkable about it. All one has to do is hit the right

If you have Terraforming for sale, let me know.
I'll have every U.S. Game then.

Thank you,
Brian

Hi all,

Welp, I've decided to sell my new PC-FXGA (PC-9800 version) on ebay. Check it out.

Neat... I haven't seen anything like that before. What other versions
are there? (Oh, and I'm sorry if the info is on your site, but I don't
have much time to browse at the mo').
