The "Blue Chip" printer reviewed in the March '85 Compute!'s Gazette is also sold in Canada under the "Admate" label. I purchased one the end of last year at the Commodore show, and have been very pleased with it.

The distributor in Eastern Canada is

T. W. Wilson Sales
2652 Slough
Rexdale, Ontario
(416) 677-8200

Usual disclaimer about lack of financial interest...
