>> The location of the Village? That I can tell you. It's on the Baltic Sea on the coast of Lithuania. I don't believe that that means that it is a Communist institution, though. I am convinced that British intelligence runs it.

Spoiler warning.

But as I remember, the whole thing was a hoax, since (wasn't this in the Chimes of Big Ben?) he really didn't escape the Village at all. Any answers regarding the Village/Prisoner/etc. would be "telling".

End spoiler warning.

Note: Look for #6's STREET address in his walk up in London. You could easily guess the answer.
