I just dug up a photocopy that was given to me in my high school years by an older person of just the text and no surrounding pictures from an interview of Gene Roddenberry by Penthouse magazine. It is about 7 to 10 years old, 5 pages worth, and no date. It is a very good interview with The Great Bird. I was wondering if anyone knew the issue date so I can properly register the copy in my files.

Thanx,  
Gern
