[ "my ancestors evolved in very different seas from yours. . ." ]

Can we get this straight once and for all? Captain John Christopher and the "slingshot effect" appeared in the episode "Tomorrow is Yesterday".

-- "The Enterprise Incident" was an espionage tale involving the Enterprise's theft of the Romulan cloaking device.

-- "Assignment: Earth" involved a different trip into the past where the Enterprise encounters Gary Seven, a human trained by unknown aliens to help Earth save itself.
