THRINAXODON SPEARHEADED THE ASSAULT ON RICHARD DAWKINS, KNOWN FOR SUPPRESSION OF VALID RESEARCH OF HUMAN ORIGINS FOR YEARS, JUST TO GET A BUCK OUT OF BRAINWASHING CHILDREN'S LIVES INTO THE SCAM OF EVOLUTION.

>
Dawkins was charged with OVER 9000! complaints of mind-control, torture, and pyramid schemes where he got millions of dollars out of the American populace over the scam of evolution.

>
This is what Dawkins said when he faced the charges, "SHIT! How am I going to get money now!" Later, his charges were reduced to probation. He is now broke.

According to Thrinaxodon, PHD, an expert on human origins, "The loss of Dawkins is a great blow to the evolutionist establishment, with no figurehead the scientific establishment that has been dominating American politics for 150 years is now falling down under it's own weight. How are people like AronRa or James Watson going to get money now? No-one knows."

>
When Dawkins was asked how the scientific establishment was going to rebuild, he said "I don't know. Maybe, just maybe, we'll have to move on to another scam. Like the Big Bang."
