JIGOKU

Genre(s): Psychological, Seinen

Author(s): Nishioka Kyoudai

Artist(s): Nishioka Kyoudai

Status: Completed

Jigoku Manga Summary:

Weird, tripped-out Japanese comics. Subtly twisted, delicately detailed but with a strong line, with elongated bodies and shades of Art Deco. Somewhat reminiscent of both Gorey and Dali by way of Edvard Munch, but the style is unique and distinctive and very much the artist's own...

The author seems to be depicting the character's dreams. He reminds me of another artist but the two mentioned are quite appropriate.
